

Home Modification & Accessibility Grants

These grants are available for *free* home improvements to improve quality of life and allow for independent living. These grants allow you for home modification, rather than relocation!

→ Projects

Projects are no cost to the owners. Total grant awards includes assessment, construction, and admin costs. Eligible projects include:

- Bathroom modifications: roll-in showers, grab bars, tub chairs, ADA height toilets
- Handrails, stair chair lifts, or ramps to entrances
- Devices to assist hearing- and/or sight-impaired individuals

→ Who Can Apply?

There are not income or age limits. Residents of any age with disabilities and/or frail elderly that fall under or one more of the following categories may apply:

- Alzheimer's Disease and Related Dementia Conditions
- Brain Injury
- Chronic Alcoholism
- Intellectual/Developmental Disability
- Mental Illness
- Other individuals with disabilities and/or special needs

→ Amount?

Grant awards are a minimum of \$2,500, and up to \$20,000.

"NeighborWorks has an amazing program and it helps change lives. Thank you from the bottom of my heart!"
